ATTENDANCE RULES FOR CREDIT STUDENTS <1 per student>

The following rules are to be applied to high school students who want to obtain high school credit for foreign language study. These students and their parent(s)/guardian(s) need to read these rules carefully. It is the responsibility of the student and their parent(s)/guardian(s) to understand and fulfill these requirements. Please sign and return this to your teacher at Sakura Gakuen at time of registration. A copy of these rules can be found online or obtained from your teacher.

RULES

- 1) The first semester enrolled at Sakura Gakuen is not applicable for credit.
- 2) A student must complete at least 72 hours of instructional time to qualify for credit.
- 3) Excluding the first semester enrolled, students will be able to obtain credit with a letter grade of "B" or higher for each semester successfully completed with a passing grade as determined by the Dean of Sakura Gakuen School in consultation with student's teacher.
- 4) Students who miss **9 (nine) hours** in a semester cannot obtain credit for that semester. Only in exceptional circumstances at the discretion of the School Dean and arranged before the 15th week of instruction of the deficient semester can no more than 3 (three) hours of instructional time be "made up" to the satisfaction of the Dean.
- 5) A student's failure to follow these rules and the school's rules of conduct will not be able to obtain high school credit.

We have read the Sakura Gakuen Attendance Rules for Credit Students and fully understand its contents and accept responsibility for fulfilling all requirements for credit.
